# Exam Day Tips

## Time Management:

- Allocate your time wisely during the exam.
- Don't spend too much time on any one question.

## Read Questions Carefully:

- Understand what each question is asking before answering.

## Stay Calm and Focused:

- Take deep breaths if you start to feel overwhelmed.
- Focus on one question at a time.

# Preparing for the certification

Complete all Microsoft learn content:

[Microsoft Learn](#)

Take the practice assessment and then complete recommended material for the subjects where knowledge still needs to be improved:

[Practice Test](#)

Book a virtual training day:

[Training Events](#)

Watch these 6 Microsoft Preparation videos.

[Preparation Videos](#)

Watch these 13 on demand instructor led Microsoft videos.

[Instructor led Videos](#)

Go through practice questions: Some answers are incorrect - so look at the discussions and do your research. They are realistic to exam though. Some are out dated like the labs. You don't need these.

[Exam Questions](#)
